

Neighborhood Pride
Beautiful Homes Awards

Proud, diligent homeowners are the heart of strong, safe neighborhoods and a vibrant city. Our homes reflect an investment in family and neighborhood, and exemplify the spirit of Mayor Michael B. Coleman's *Neighborhood Pride* program—that each resident can make a positive difference in their neighborhood.

Beautiful homes, whether large or small, elicit feelings of pride, community and security in both the homeowner and his or her neighbors. Neighbors are inspired to plant flowers, paint a fence and give their own homes distinct touches that invite others to do the same. *Neighborhood Pride* is contagious.

This is the inspiration for the *Neighborhood Pride Beautiful Home Awards* program, which recognizes a few of the beautiful homes in each *Neighborhood Pride* area. The *Neighborhood Pride* program staff asks neighborhood leaders in each *Pride* area to nominate up to ten homeowners they feel are deserving of this award. *Pride Beautiful Home Awards* winners will receive a handsome window sticker that tells all visitors their home is a *Neighborhood Pride Beautiful Home Award* winner. The winners also receive a Certificate of Recognition, signed by Mayor Michael B. Coleman, acknowledging their neighbors selected their home as a *Neighborhood Pride Beautiful Home Award* winner during *Neighborhood Pride Week*.

The *Neighborhood Pride Beautiful Homes Awards* are made possible with the support of Excel Management Systems, a *Neighborhood Pride Partner* business.
